

The Alternative Approval Process for Bylaw No. 803

The Alternative Approval Process was approved to start for Bylaw 803, Long Term Borrowing Bylaw.

What is an AAP?

The AAP works as a counter petition. Elector Assent is necessary for some municipal actions including the above stated bylaw. If 10% of eligible electors in the Village (148) fill out a form asking Council to take the issue to referendum by filling out a form, the Council is required to take the issue to a referendum. If less than 10% of electors fill out a form, Council is considered to have elector assent.

What is the timeline?

The process will place ads in newspapers of May 5th and May 12th. After the second ad, there will be a 30 day period before the deadline to submit the required form if they want the bylaw to go to a referendum. This deadline is June 13th, 2016 at 4:00 pm. For more information, visit ashcroftbc.ca/aap

What are the requirements to fill out a form?

The AAP is a type of assent voting, therefore the requirements to fill out an 'Elector Response Form' are the same as for normal elections. These requirements are available on the back of the 'Elector Response Form' or on the website at www.ashcroftbc.ca/aap

Where can I access these forms?

You can either pick up a form at the Ashcroft Village Office (601 Bancroft) at the front desk or you can download a copy of the form from the Village website at www.ashcroftbc.ca/aap. The copy of the form must be complete, with the elector qualifications located on the back of the form. Bylaw No. 803 is also available on the webpage.

Did you know.... Visitors' Information Booth

The Visitors' Information Booth will be up and running again thanks to the generous donation by Val Parks of her time to manage it this year. The Booth is a great source of information for visitors to our town and helps show others what great assets the Village possesses.

What the Village needs now is a great team to help run the VIB! Do you want to educate others about the great area we live in, about our superb trails and unique natural amenities? Do you want to meet people from across the world, who are spending some time to see your Village? Than you should volunteer to help out! Every little bit helps to create a great experience for some visiting tourists.

If you are interested, please contact Ms. Parks at 250-453-9206 to set up a time to volunteer!
