The **Thompson View Manor Society** was formed in September, 1975, to create and then operate affordable housing for the seniors in the Ashcroft region. It serves Ashcroft and region by providing quality and affordable housing and services to help seniors stay in their community. It is a non-profit society with official charitable status recognized by the Canada Revenue Agency.

The Society owns and operates the **Thompson View Manor**, a 15-suite low-income independent housing complex for seniors who are able to live independently. The **Manor** was completed in 1976.

The Society also owns and operates the 10-suite **Thompson View Lodge** assisted living complex for seniors needing some support to be able to stay in their community with as much independence as possible. The **Lodge** opened in 2006.

Both the **Manor** and **Lodge** are located in adjoining buildings located just below the **Ashcroft & District Health Site**.

If you wish for further information about the **Society**, the **Manor**, or the **Lodge**, please visit, send an e-mail to [tvms@telus.net](mailto:tvms@telus.net), or call our **General Manager at (250) 453-9223**.
