

ASHCROFT COMMUNITY SURVEY

As part of the Economic Development Plan prepared in 2015, it was identified that it would be beneficial for the Village of Ashcroft to update the Official Community Plan (OCP), Zoning Bylaw and Subdivision Control Bylaw. In August 2016, the Village received funding from the BC Rural Dividend Fund to review these documents in detail and determine what needs to be updated and how. As part of this review, the Village wants to begin engaging the community to determine what are some of the key issues Ashcroft faces in the future and how these could be resolved. This will help the Village in determining the best way to update these documents.

Residents are asked to complete the survey as honestly as possible. Each member of a household is invited to complete a survey but only one survey per resident is permitted. Additional surveys are available at the Village Office or on our website at www.ashcroftbc.ca. Completed surveys can be dropped off at the Village Office at 601 Bancroft Street or in a collection box at the Ashcroft Post Office.

The survey will be tabulated by an independent agency so will be confidential. Completed ballots will be removed prior to tabulation. Results will be delivered to Council in November 2016.

As a token of appreciation to residents completing the survey, Council is promoting Shopping At Home by offering a selection of gift certificates to local businesses with a total value of \$250. Anyone completing a survey who lives in Ashcroft, is over 18 and is not a member of Ashcroft Council, a Village of Ashcroft employee or their immediate family are eligible to enter by completing the ballot below:
