

# REQUEST FOR QUALIFICATIONS

## Village of Ashcroft – WATER TREATMENT PLANT – GENERAL CONTRACTORS

Submissions clearly marked **VILLAGE OF ASHCROFT – WATER TREATMENT PLANT – PREQUALIFICATION SUBMISSION** will be received by Travis Pahl by email no later than **2:00 pm**, local time, **February 2<sup>nd</sup>, 2018**.

Prequalification Instructions, Prequalification Forms, and addenda (if any) will only be distributed electronically in digital format (PDF) through the MERX tendering website at [www.MERX.com/urban](http://www.MERX.com/urban) under “Agencies, Crown & Private Corporations” tab. Information will be available online on or after **January 22, 2018**.

The general works include, but are not limited to the construction of an 8.2 MLD Water Treatment Plant (WTP), in a public park setting, as follows:

- Main WTP Building approximately 18 m x 16 m complete with a full basement, and an adjoining 9 m x 12 m generator and washroom building (one level).
- Includes installation of Owner pre-selected membrane equipment (approximate equipment value \$850,000)
- Associated electrical and mechanical equipment supply and installation.
- Associated site work, including water and sanitary piping, parking and landscaping.
- Installation of a solar PV system, complete with roof top panels
- Electrical upgrade to existing high lift pump station (see Appendix B for site sketches and preliminary drawings).

All inquiries regarding the documents should be directed to:
