

Hello Ashcroft,

As I'm sure you are all aware, Lytton's fire situation is out of control. The Fire Commissioners office has requested as many resources as possible.

Ashcroft is sending apparatus and firefighters to assist. Engine 3 remains in Ashcroft for community protection. If needed, the Ashcroft Terminal and Ashcroft Ranch have their water trucks on stand by for us.

I know this is very reminiscent of 2017, please say a prayer for Lytton!

If our situation changes, updates will be posted here and the Village website, if it becomes an emergency situation for Ashcroft a Voyent Alert will also be sent.

Daniela Dyck,

CAO
