

# **EXTREME HEAT ADVISORY ENDS**

The Village of Ashcroft would like to inform residents that the heat wave has ended.

The immediate forecast is with daytime temperatures less or equal to 35°C and cooling off to 18°C and below at night. Few intermittent showers are expected for the following days as a sign of the cooling weather

## **COOLING CENTRE CLOSED**

The Community Hall Cooling Centre is now closed.

## **AIR QUALITY STATEMENT - SMOKY SKIES**

**If members of the community would like the hall opened for air quality purposes please call the Village Office at 250-453-9161.**

The smoke from the wildfires have impacted Ashcroft's air quality. This impact may vary in different regions within Ashcroft and may end soon depending on the direction and strength of the winds.

Please visit the website <https://www.canada.ca/en/health-canada/services/publications/healthy-living/wildfire-smoke-health.html> for more information on wildfire smoke and health.

## **VOYENT ALERT!**

Please register with Voyent Alert notification system to stay informed in events of extreme heat alerts, fire alerts, water conservation measures and other important notifications. Need help registering? Call (250) 453-9161 for assistance.

If you have any questions, please check the Village Office website at [www.ashcroftbc.ca](http://www.ashcroftbc.ca) or contact us by phone at 250-453-9161.
