

SEASONAL WEED CONTROL APPLICATION

Public works staff is spraying to control weeds on boulevards, lanes and other public property throughout the season. Please be advised of the following:

- Only certified employees are permitted to spray herbicides
- Areas sprayed will be marked
- Glyphosate is widely used to control broadleaf weeds and grasses
- Herbicides are applied in compliance with the Ministry of Environmental Protection and Sustainability
- Herbicides will only be sprayed when conditions are favourable (not too windy, rainy, hot etc.)
