

## CAMPFIRE BAN

July 22, 2022

### CAMPFIRE BAN IN EFFECT AS OF 11:59 PM SUNDAY JULY 24, 2022 FOR THE VILLAGE OF ASHCROFT

As per Section 5.f.iii of the Village of Ashcroft Outdoor Burning Bylaw No. 849, 2022 the Corporate Officer in consultation with the Fire Chief is implementing a **CAMPFIRE BAN** in the Village of Ashcroft boundary beginning 11:59 pm, Sunday July 24, 2022 until further notice.

This decision is based upon the prevailing weather conditions, extremely dry area vegetation and the increased risk of fire. The campfire ban is temporary and will be lifted when both the Corporate Officer and Fire Chief deem it safe to do so.

The Kamloops fire centre has not imposed a fire ban at this time; however as temperatures continue to rise the decision of the Corporate Officer stands.

Thank you for your cooperation.

Daniela Dyck,  
Chief Administrative Officer
