To Whom it may concern.

Hello. I am writing to you today to ask for a letter of support in our newest initiative of "Caring for the Homeless".

We are in the grant writing process to PGNAETA (Prince George Nechako Employment and Training Association) to purchase a motorhome and renovate it to accommodate the homeless on our streets in the winter months. We are proposing to travel daily to Clinton and Ashcroft to pick up people who have no warm place to stay and house them from 6pm to 9am. In the morning, they will be offered a shower at the local Husky and a breakfast at the Equality Project. If successful, the project will run 7 days a week from October 1, 2022, to March 31, 2023.

We would like to liaise closely with the RCMP of each community as well as concerned community members and groups to ensure safety and support to our homeless population and to our communities.

I would love to hear any comments or suggestions you may have on this proposal and would be willing to meet with you to answer any questions or concerns.

Sincerely,

Shelley Magwood
Executive Director
The Equality Project Society
