Dear Sir or Madam:

18 September 2018

Re: British Columbia Youth Parliament, 90th Parliament

The British Columbia Youth Parliament's 90th Parliament will hold its parliamentary session in Victoria at the Provincial Legislative Chambers from December 27 to 31, 2018. The Youth Parliament is a province-wide non-partisan organization for young people ages 16 to 21. It teaches citizenship skills through participation in the December parliamentary session and in community service activities throughout the year. **Youth Parliament is a one-year commitment.**

I invite you to encourage eligible youth from your municipality or region to apply to sit as members of the Youth Parliament. Youth Parliament is non-partisan, and applicants need only be interested in learning more about the parliamentary process and in serving their community.

Each applicant who is accepted to attend as a member of BCYP must pay a **\$395** registration fee. Thanks to fundraising efforts, a portion of the cost of transportation and accommodation is reduced but we encourage your municipality to contribute to the fees for those applicants in need. If you are not able to provide assistance, financial support is available for applicants who cannot meet the expense of the registration fee. Requesting financial assistance will not affect an applicant's chance of being selected as a member. We also provide resources for applicants attempting to secure funding from community sources, including schools and service clubs (see www.bcyp.org/joinus.html).

Members will sit and debate in the Legislative Chambers for five days and will be accommodated for four nights at the Coast Hotel in Victoria. During that time, participants are supervised by members of the Board of Directors of the Youth Parliament of B.C. Alumni Society and other youth parliament alumni. In addition, transportation to and from Victoria will be provided for all members who require it.

I have enclosed an application form and two copies of a brochure about BCYP. I encourage you to make the application form and brochure available to interested young people and to make copies of the forms as needed. If your municipality sponsors a "youth of the year" award or has a municipal youth council, young people with that sort of initiative and involvement are ideal candidates for our organization. A soft copy of the form is available from our website at <https://bcyp.org/applying/> along with soft copies of the brochure and a promotional poster.

All applications must be received by October 23, 2018. Applicants will be notified whether they have been selected in early November. If you require more information, please contact me by telephone or e-mail as indicated above, or visit our website at www.bcyp.org.

Yours truly,

BCYP

British Columbia Youth Parliament (BCYP) is youth taking responsibility and initiative to make a positive impact in their communities. BCYP is a non-profit, non-partisan, parliamentary education and service organization. BCYP is an extraordinarily unique organization — for youth and by youth.

For a full year, 95 members pool their resources, creativity and determination for a common purpose: to advance, better, and improve the lives of the youth of British Columbia. BCYP brings together youth from across the province and unites them to fulfill the motto of “Youth Serving Youth”. The youth of BCYP reach out and make a difference across British Columbia.

Why?

Because they can.

And more importantly, because they care.

BCYP is unique in that it is not simply a “mock” or model parliament — the legislation members debate translates into real action in the community.

**British Columbia
Youth Parliament**

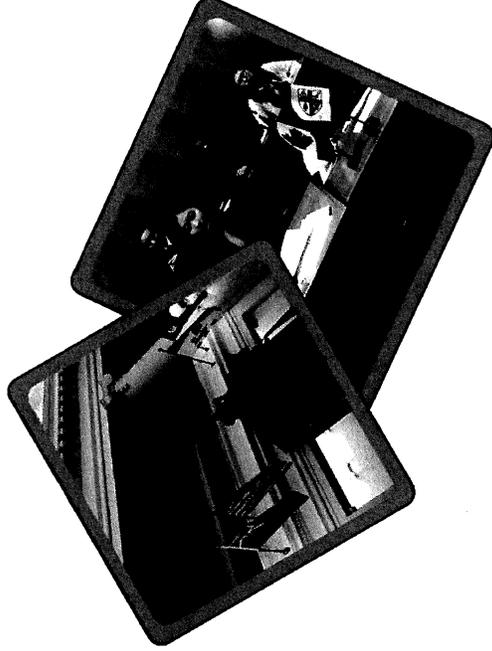

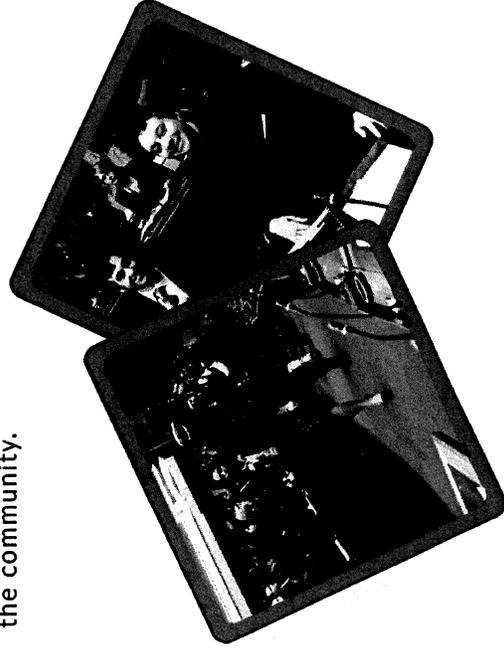

Why We Are a Parliament

British Columbia Youth Parliament began as the TUXIS Older Boys' Parliament in 1924. In 1974, upon the admittance of girls, it became BC Youth Parliament, and 2013 marked its 85th Session.

Every year, between December 27th and 31st, 95 young people from across British Columbia gather at the Legislative Chambers in Victoria for the annual parliamentary session of BC Youth Parliament. Members sit as independents; they do not represent any political party and they vote according to their own consciences. They learn about parliamentary process, debate topics of interest, and plan activities for the coming year.

Proposed activities are presented in the form of government bills. The debate is led by a Cabinet of experienced youth parliamentarians who spend months before preparing to present their plans. First-time members are also able to raise issues through debate on government legislation and by writing and presenting Private Members' Resolutions dealing with issues ranging from local to international in scope.

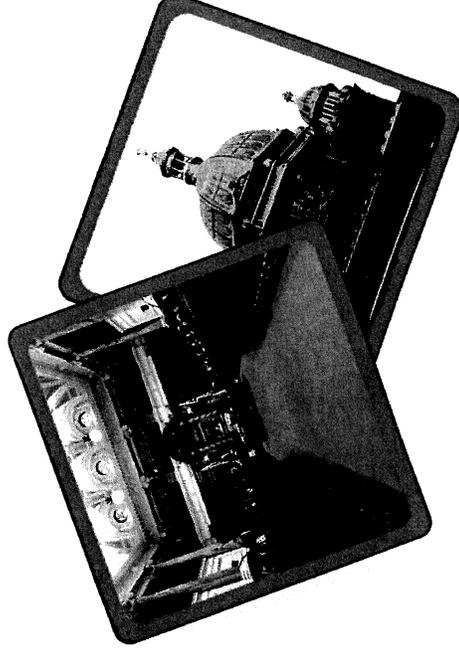

Once BCYP's bills are passed they must be put into effect. This is where BCYP differs from other youth parliaments in that BCYP is not a "model" or "mock" parliament — the legislation members pass translates directly into positive action in the community.

Regional Youth Parliaments

To increase the number of youth who are able to participate in Youth Parliament activities, BCYP members organize and run Regional Youth Parliaments in various regions of the province. Through these events, BC Youth Parliament furthers its goals of promoting community service, education in the parliamentary process, and training in public speaking and debating.

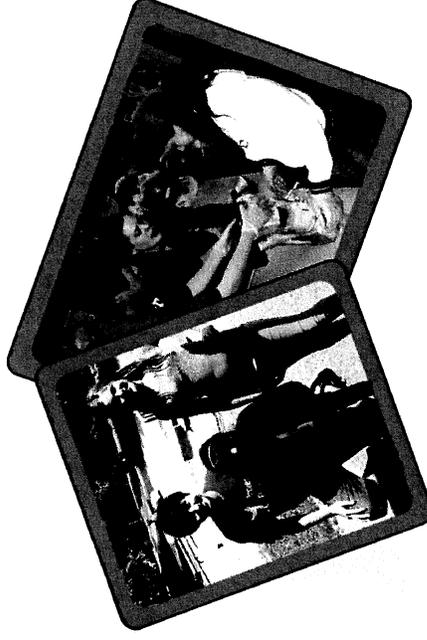

More local in scope than BCYP, Regional Youth Parliaments hold weekend-long sessions aimed at high school students between the ages of 14 and 18. Members gather to plan their activities for the upcoming year, as well as discussing local, national, and international issues in a parliamentary setting.

Youth Serving Youth

BCYP members plan and participate in group service events organized around the province. Members come together to volunteer with different organizations or special events, or serve to the community in ways of their own devising. They volunteer with summer camps, food banks, charity walks, soup kitchens, community support services, and other service organizations.

As well, all over British Columbia throughout the year, individual members of BCYP perform solo acts of service to their communities and lend a hand through their involvement with other organizations. Across the province, BCYP members help others in myriad ways, limited only by their imaginations and the will to carry out the projects they envision.

Community Fundraising

Each year BCYP organizes a variety of fundraising events across the province. Members work in groups and in their communities to raise the funds required to run BCYP's projects and cover its operational expenses. They also engage in service-related fundraising, working in groups and individually to raise money for a variety of causes.

Fundraisers range from pledge events and car washes to auctions and carnivals. Members also solicit donations from local businesses and prominent members of their local communities.

British Columbia Youth Parliament

Application Package & Background Information
90th Parliamentary Session
December 27-31, 2018 - Victoria, BC

WHAT IS BCYP?

British Columbia Youth Parliament (BCYP) is a youth organization that recognizes every young person's potential to lead and serve in the community. Since 1924, BCYP has provided a forum for young people to develop skills in leadership, organization, public speaking, and the parliamentary process, and to put these skills into practice through service to youth in their local communities.

BCYP is not affiliated with any political party and is a non-profit organization.

Membership in BCYP begins with attending the Parliamentary Session in Victoria and continues throughout 2018. For detailed information about BCYP's activities, visit our website, www.bcorp.org.

BCYP'S ACTIVITIES

BCYP's year begins with the Parliamentary Session from December 27 – 31, 2018. Members sit in the Legislative Assembly in Victoria and use the parliamentary style of debate to plan educational and service projects, establish BCYP's financial commitments, and amend BCYP's governing legislation.

At Session, Members:

- Meet young people from all over the province;
- Debate Cabinet's legislation which sets out BCYP's activities for 2019;
- Debate current local, national, and international issues;
- Learn about debating and the rules of parliamentary procedure;
- Elect BCYP's Premier, Deputy Speaker, and Leader of the Opposition for the 91st Parliament.

After Session, Members put into action the plans made at Session, which usually include:

- Volunteer service projects in their home communities;
- Group volunteer service projects with summer camps, food banks charity walks, soup kitchens, and other service groups;
- Special projects which vary depending on annual legislation but have included summer festivals, children's day camps and Camp Phoenix;
- Regional Youth Parliaments;
- Fundraising events;
- Social activities with other Members.

WHO CAN ATTEND?

Each year 97 youth are "elected" to BCYP as representatives of their communities. Each applicant must be nominated by an organization committed to youth (i.e. a school, community group, club, Municipality or church). Five members of that group must indicate their support by signing the application form.

To be eligible for membership you must be:

- Age 16 – 21 (inclusive) as of Dec. 31, 2018;
- A resident of British Columbia;
- Nominated by an organization committed to youth;
- Willing and able to participate in BCYP's activities for one year.

Due to the limited number of seats in the Provincial Legislature, only 97 applicants will be selected to become Members.

SESSIONAL ARRANGEMENTS

Accommodations: Accommodation at the Quality Inn in Victoria is provided for all Members for the nights of December 27 – 30 (inclusive). Members share rooms with other Members of the same gender.

Transportation: Transportation for Members residing outside the Victoria area is included in the registration fee. Members living in the Interior, North, or North Island will be required to travel on December 26 and January 1.

Meals: Each Member is responsible for the cost of all meals in Victoria. Some dinners will be at assigned restaurants, others free-choice.

PRE-SESSIONAL INFORMATION

The Registrar will notify all applicants by email or mail as to their acceptance status by mid-November. Accepted Members are provided with an orientation package prior to Session and are invited to attend one of the Pre-Sessional Workshops held in different regions of the province. The details of the workshops will be announced in the acceptance letters.

Dear Mayor Jeyes,

Re: Thank you for meeting at UBCM 2018

Thank you for taking the time to meet with me at the recent Union of British Columbia Municipalities (UBCM) Convention in Whistler. I was glad to have the opportunity to discuss the status of the Ten Mile Slide project, the level crossing, the addition of an overhead digital message signboard and an additional passing lane in your area.

The yearly UBCM gathering is a pivotal opportunity for us to come together with local leaders and look at how we can foster positive partnerships and innovative solutions to meet the transportation needs of people around the province. I am always impressed by the outstanding level of passion and dedication shown by elected representatives like yourself, who go above and beyond to make a positive impact in their communities.

I know we share the goal of ensuring British Columbians have access to the transportation infrastructure and services they rely on to support economic growth and social development within their communities. By continuing to work together, I am confident we can succeed in delivering the improvements people want and continuing to uphold our commitment to transportation excellence.

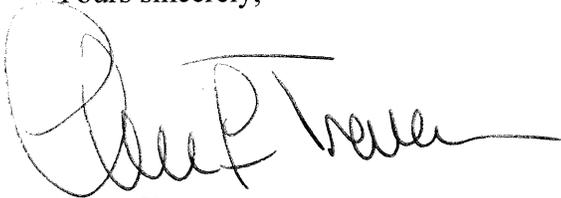

I have asked local ministry staff to follow up with your office directly to provide you with a detailed update on the Ten Mile Slide, as well as to discuss potential locations for additional digital message signs and a passing lane. Please do not hesitate to contact local District Manager Todd Hubner directly by telephone at 250 398-4519 or by email at Todd.Hubner@gov.bc.ca if you have any questions or concerns about these matters in the meantime, as he would be pleased to assist you.

.../2

I have also asked Assistant Deputy Minister Silas Brownsey to follow up with your office directly to discuss the grade level crossing along Highway 97C in more detail.

Thank you again for taking the time to meet with me.

Yours sincerely,

PO Box 129
Ashcroft BC V0K 1A0

Dear Mayor and Council:

The Province will be able to issue licences for the retail sale of non-medical cannabis on or after October 17, 2018, and we are currently in the process of assessing the applications that have been submitted to us.

Our consultations with local governments indicated you wanted to ensure that the needs of your communities were considered as part of the licensing process. We would like to take this opportunity to explain the important role local governments have in cannabis licensing.

It will be up to each municipality to determine if and where non-medical cannabis can be sold, and whether it is sold in private or government stores, or a mixture of both.

Once an application is received by the provincial government and it is deemed to contain the required information, the Province will notify the respective local government of the area where the proposed store is located.

Upon receipt of notice, local governments can:

- choose not to make any recommendation in respect of the application for a cannabis retail store licence (Note: this would end a licence application in progress because the Province cannot issue a licence unless the local government gives a positive recommendation that the licence be issued)
- choose to make comments and recommendations in respect of an application for a cannabis retail store licence.

If the local government makes a recommendation to deny the application then the Province may not issue the licence, and if a recommendation in favour of the application is made, then the Province has discretion whether or not to issue the licence, but must consider the local government's recommendation in the decision whether to issue a licence.

The Province will notify local governments about applications in the order that they are confirmed as complete. This ensures that you will have all the information you need to begin your process of making a recommendation.

We would also like to remind local governments that they may delegate the recommendation decision to staff.

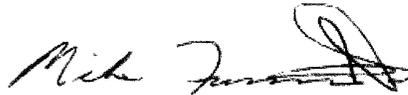

We invite you to review the enclosed Local Government's Role in Licensing Cannabis Retail Stores for detailed information that will help you navigate the recommendation process. If after reviewing this information you have any questions, please email Cannabis.Licensing@gov.bc.ca.

Thank you for your consideration in this important new process.

Yours truly,

Local Governments' Role in Licensing Non-Medical Cannabis Retail Stores

If you have any questions about this document, please contact the Liquor and Cannabis Regulation Branch toll-free at 1-866 209-2111, or email cannabisregs@gov.bc.ca. NOTE: This document will be updated from time to time as additional information surrounding the regulatory framework for cannabis retail sales becomes available. (Last updated 28 September, 2018)

Non-medical cannabis retail licence

The province will be issuing licences for non-medical cannabis retail stores. A cannabis retail store must be a standalone business. This licence requires input and a positive recommendation from a local government in whose area the proposed store is located.

The province recognizes the importance of ensuring carefully regulated access to non-medical cannabis in all areas of the province, including rural areas.

As a first step, the province will open opportunities to apply for regular retail licences. Once the regional distribution of retail non-medical cannabis stores is known, the province will consider issuing licences to service rural or remote areas that are not sufficiently served by existing retail cannabis stores.

The role of local governments in the cannabis retail store licensing process

Applicants for a non-medical cannabis retail store licence must submit a licence application to the LCRB. When an application is received, the LCRB will notify the local government of the area where the proposed store will be located.

Upon receipt of notice, local governments can:

- choose not to make any recommendation in respect of the application for a cannabis retail store licence (Note: this would end a licence application in progress because the LCRB cannot issue a licence unless the local government gives the LCRB a positive recommendation that the licence be issue)
- choose to make comments and recommendations in respect of an application for a cannabis retail store licence. Note that:
 - if the local government chooses to make a comments and recommendation on the licensee's application to the LCRB, it must gather the views of residents
 - if it makes a recommendation to deny the application then the LCRB may not issue the licence
 - if it makes a recommendation in favour of the application, then the LCRB has discretion whether or not to issue the licence, but must consider the local government's recommendation.

Local Governments (municipalities, regional districts or Islands Trust local trust committees) have some or all of the following regulatory powers in respect of cannabis retail store licences:

- Impose restrictions in its zoning bylaws regarding the location of cannabis retail stores
- Regulation of business (municipalities only): by terms and conditions in its business licensing bylaw, a municipality may limit the hours that cannabis retail stores can operate or impose other conditions such specifications regarding signage
- Charge the applicant fees if choosing to assess an application.

The above process applies to all relocations of existing cannabis retail stores.

Gathering residents' views

If the local government decides to consider the notice of application and to provide comments and recommendations as to the location of the proposed retail store, it must gather the views of residents of the area if the location of the proposed store may affect nearby residents. It may gather resident's views by using one or more of the following methods:

- Receiving written comment in response to a public notice of the application
- Conducting a public hearing in respect of the application
- Holding a referendum, or
- Using another method the local government considers appropriate.

It is up to the local government to determine the area, relative to the licensee's application, where resident's views must be gathered.

Please note: Gathering the views of residents of the area/providing a recommendation to the LCRB must be unique to each provincial licence application. In other words, past recommendations cannot be used in a new licensing process. Each individual application must be considered separately by the local government.

What must the local government's recommendation include?

The recommendations and comments the local government provides to the LCRB must:

- be in writing (this may or may not be in the form of a resolution)
- show that the local government has considered the location of the proposed store
- include the views of the local government on the general impact on the community if the application is approved
- include the views of residents if the local government has gathered residents' views, and a description of how they were gathered
- include the local government's recommendation as to whether the application should be approved or rejected and provide the reasons upon which the recommendation is based.

The local government should also provide any supporting documents referenced in their comments.

What if the local government does not want to provide a recommendation?

If a local government does not want to accept the notice of application and provide a recommendation for the proposed retail location, they should notify the LCRB. A licence for a cannabis retail store will not be issued without a positive recommendation from a local government. If a response is not received, LCRB will not consider the application any further.

What if the recommendation does not meet the regulatory requirements?

If the recommendation does not meet the regulatory requirements, the LCRB will ask the local government to provide new or amended comments that address outstanding issues.

How long does the local government have to provide comments?

Unlike in the process for liquor licensing, local governments are not required to provide a recommendation on a cannabis retail store application within a specific time period. Please note that delays in the application process can have a significant impact on the applicant. If the applicant is the reason for the delay, please notify the LCRB. If the applicant is not trying to move an application forward, the application can be cancelled.

Can the local government recommend approval subject to certain conditions?

In some circumstances, the local government can recommend that the LCRB approve the application as long as certain restrictions (e.g. hours of operation) are placed on the licence. In these situations, the recommendation should clearly explain the rationale for placing restrictions.

If the local government intends to request that the LCRB impose terms and conditions on a licence, prior to sending such a recommendation the local government should consult with the LCRB so that the LCRB can determine whether it has the authority to impose the requested terms and conditions before finalizing their conditional recommendation.

The local government may also have the ability to impose other operating rules on the proposed store through the terms and conditions of the applicant's business licence, zoning or bylaw. The local government is responsible for enforcing these rules.

Floor Plans

Applicants must submit a floor plan with their licence application for approval so the LCRB can identify store features such as sales, storage and delivery areas. Unlike for some kinds of liquor licence applications, local governments are not required to provide occupant load stamps or approve the applicant's floor plans as part of the provincial licensing process for cannabis retail stores.

A municipal council or regional district board can delegate authority to their staff to provide comments and a recommendation to the LCRB

A municipal council or regional district board may delegate its powers and duties to provide comments and a recommendation to the LCRB regarding a cannabis retail store licence application. If a council or board has delegated this authority, a cannabis retail store applicant may ask for comments and recommendations made by delegated staff to be reconsidered by the local government.

Council as defined in the Vancouver Charter:

A Council, as defined in the *Vancouver Charter*, choosing to delegate to its staff must establish procedures for a reconsideration of comments and recommendations made by delegated staff, including how a cannabis retail store applicant may apply for reconsideration. In undertaking a reconsideration, the Council will have the same authority as it delegated to staff.

Right of reconsideration:

Delegated local government staff must advise the cannabis retail store licence applicant that the applicant has the right of reconsideration of the staff's recommendation by the council or board.

How local governments inform the LCRB of delegation:

A local government that has delegated authority to staff should send a copy of the delegation to the LCRB at Cannabis.Licensing@gov.bc.ca.
