Dear Madam Mayor:

RE: Christmas Hamper Program 2025

Letter of Support

Our organization is preparing an application for Grant-In-Aid funding from the TNRD in the amount of \$1,000. It would appear that this year a Letter of Support is also required to accompany the application.

We respectfully request a Letter of Support from your office to satisfy this requirement as we look forward to this years fund raising challenges.

Your attention to this request is greatly appreciated.

Sincerely,

A handwritten signature in cursive script, appearing to read "Christine Webster".

Dear Mayor Roden and Village Council,

We are in the process of planning our third Get Your Ducks in a Row, Planning Fair. Our intention is to add the tag line "Planning for your future" and encourage a more youthful audience. We are hosting this free event on Wednesday, October 29th from 12:00 pm -4:00 pm and from 6:00 pm – 8:00 pm. The format will be that of a trade show with various local expert providing information and support on a variety of topics.

This event is again hosted and organized by the Ashcroft Hub, the Community Resource Society, The Ashcroft and District Hospice Society and the South Cariboo Elizabeth Fry Society. We are hoping that the Village of Ashcroft will partner again with us this year and provide the Ashcroft Community Hall free of charge for this event. The organizing committee would purchase insurance for this event.

We would set up for the event on the morning of October 29th and our take down and clean up would happen on Friday morning (October 30th).

Last year we had 100 – attendees and the response were very positive and there was an overwhelming consensus that we needed to organize this event again.

We look forward to partnering with the Village of Ashcroft again this year.

Sincerely,

T. Schachtel
