

PUBLIC NOTICE

Similar to other BC Local Governments, the Ashcroft Village Office will be **CLOSED to the general public for walk-in access effective Monday, March 23, 2020**, *all in an effort to reduce the risk of COVID transmission.*

Employees will be in the office to assist you with your inquiries via phone or email. In an effort to assist residents with Utility payments, we have extended the early payment discount deadline to 4:00 pm Thursday, April 30, 2020. We encourage people to mail cheques, use online or telephone banking to submit payment during this time. We will have a drop box set up at the front entrance to our office building (601 Bancroft St.) to accept cheques only, NO CASH.

Council meetings are moving forward and we are permitting ONLY 6 members of the public in the gallery due to social distancing. Agenda questions can be emailed to the Village office and these will be addressed during the allotted question period on the agenda – time permitting.
